

ARCHDIOCESE *of*
SOUTHWARK

Mass of St Oscar Romero

Assembly edition

**Wheatsheaf
Music**

Singing together, praying together

CJ Olding

This Mass setting is a tribute to the life and legacy of St Oscar Romero, a martyr of our time. His tireless advocacy for social justice, particularly for the poor and marginalised, continues to inspire us today.

St Oscar Romero holds a special place in the life of our archdiocese. St George's Cathedral houses the National Shrine and continues to draw pilgrims who are moved by his life and work.

This setting is designed to be accessible to congregations, schools and musicians whatever their musical experience. The melodies are simple and accessible; the harmonies are straightforward and uplifting.

May this music inspire us to follow in St Oscar Romero's footsteps and strive to create a more just and compassionate world.

Most Rev John Wilson, Archbishop of Southwark

God, you raise up true disciples

Discover the hymn that inspired this Mass setting.

The melody is named for the island of El Salvador where St Oscar Romero lived and died. Words from his homilies and radio broadcasts are interwoven with thoughts on how we should respond to his call today. A personal reflection by the composer offers additional context to the hymn, providing longer passages for deeper contemplation.
